

**CELEBRATING LOCAL FOOD**

*the dinner plate project*

**a community art performance project**

### **The Dinner Plate Project**

You are invited to participate in a community art project called **The Dinner Plate Project** on *Sept. 19, 2010 at 10 A.M.*

The purpose of this project is to encourage humanity to support locally grown food through the worldwide circulation of an aerial picture of a large, colorful dinner plate formed by 400 people in a field.

*This community art project is designed to generate widespread public awareness of the need to*

- *Eat locally grown food*
- *Grow local food in a sustainable way*
- *Protect farmland and green spaces*
- *Reduce humanity's footprint*

We are inviting you to join 399 people to form the symbol of a large dinner plate. Within the plate a text will read, "**eat local**". On either side of the plate a knife, fork and spoon will be formed, also by people standing together. As you stand together looking up, a hang glider will fly a photographer over you three times to capture the image that we will circulate worldwide.

This is a wonderful opportunity to make a difference in the Local Food Movement. To cover our basic costs you are asked to contribute a minimum \$10.00 donation for participating in this creative project. (Larger donations and sponsorship are welcomed.) Please click the PayPal button to contribute, or mail in your donation (see below) . (Please note: if you are unable to make a donation, we will still encourage your participation. Drop us a line at the same address for attendance purposes.)

Heather is looking for :

1. Three volunteers to help with the drawing " of the dinner plate at High Perspective flying field on Sept. 18th at 10 a.m. (weather permitting) or on September 19 at 6 a.m.
2. Five volunteers to help with Parking on Sept. 19.
3. Five Volunteers to assist with participant placement on Sept. 19.
