

SPRING 2016

Expect the Unexpected

DURHAM WEST STUDIO TOUR

APRIL 23rd–24th, 10:00am–5:00pm

The Durham Region continues to nurture a vibrant and diverse arts community. The Durham West Studio Tour provides an ideal opportunity to enhance awareness of the wealth of creative talent within our region. 2016 marks the 8th year that Durham artists will open their studios and collaborate to make a public showing of their work. Jewelry, pottery, glass and stone sculpture, are only a few of the media you will see on this free self-guided tour. There will be displays, demonstrations and opportunities to learn about the working processes in each studio. Purchase and support the work of local artisans as unique gifts or for your own collection and participate in our draws for prizes and gift certificates. We are grateful to receive the generous support of local representatives, businesses and organizations and thank them for their patronage. There continues to be a wealth of creativity and talent to be discovered in Durham, truly representing our claim to "expect the unexpected"!

The City of Pickering is proud to support the Durham West Spring Studio Tour

The Mayor and Members of Council congratulate the Durham West Arts Centre for organizing this significant event. It is our vibrant and dynamic arts and cultural landscape that helps make Pickering one of the very best places to live, work, and play.

DURHAM WEST ARTS CENTRE

Our Pottery and Art Studio location at the Pickering Recreation Centre continues to be a great place for all ages to follow their creative spirit. This venture has enabled DWAC the opportunity to teach, interact and engage with the community.

It is also the home and office of DWAC Inc. and DWAC Foundation, providing us with a central hub from which to continue to build and promote the idea of an arts centre in the City of Pickering.
